WELCOME TO LITTLE'S PHOTOGRAPHY, FORT LAUDERDALE'S TRUSTED NAME IN CORPORATE PHOTOGRAPHY.

At Little's Photography, we specialize in creating polished, professional images that reflect your team's best qualities. Whether you're building your brand, updating LinkedIn headshots, or capturing your company culture, our experienced team is here to ensure you walk away with images you're proud to share.

Since 1996, South Florida businesses have chosen us for high-quality photography and a personalized experience. We're known for helping even the most camera-shy professionals feel at ease and confident in front of the lens.

From professional portraits to custom framing, we offer a seamless experience designed to make your company look its best, both in print and online.

DO I NEED A HEADSHOT OR SOMETHING MORE?

A headshot is a specific type of portrait focusing primarily on a person's face, typically capturing them from the shoulders up.

The primary goal of a headshot is to present the individual in a professional and approachable manner, while also capturing their personality.

SOMETHING MORE

If you need more than a headshot, choose from our Three-Quarter Session, Personal Branding Session, or Behind-The Scenes Session.

OUR STANDARD HEADSHOT

IN STUDIO SESSION

Crafted for the busy professional, this session ensures a streamlined process without compromising on quality. Using our Classic Headshot lighting style and a focus from the shoulders up, our experts guide you through the process so the end result is a polished, impactful headshot.

Perfect for anyone needing a quick, powerful boost to their professional image, this session guarantees a standout portrait that clearly expresses your professional identity.

SINGLE HEADSHOT IN OUR STUDIO - \$249

15-Minute Studio Session includes one image with standard retouching.

ADDITIONAL IMAGES

\$95 each with standard retouching

BACKGROUND OPTIONS

Black, Dark Grey, Light Grey, White

MORE THAN A HEADSHOT

IN STUDIO SESSION

Introducing our **"3/4 Body Shot"** – a perfect blend of efficiency and versatility for those seeking more than a traditional headshot. In a 15-minute session, we capture your unique and professional style. This session allows for subtle changes, such as swapping a jacket or tie, for more portrait options.

To combine this session with a standard headshot session, please book the Bronze Personal Branding session. You will receive more images this way.

3/4 BODY SHOT IN OUR STUDIO - \$249

15-Minute Studio Session includes one image with standard retouching.

ADDITIONAL IMAGES

\$95 each with standard retouching

BACKGROUND OPTIONS

Black, Dark Grey, Light Grey, White

BACKGROUND OPTIONS

FOR HEADSHOTS & 3/4 BODY

WHITE

A classic, clean look that is universally appealing with high contrast that draws attention to the subject.

LIGHT GRAY

A modern, neutral look, works well with most skin tones and clothing choices.

DARK GRAY

A popular choice, this grey gives a more dramatic look that gives your image an authoritative feel.

BLACK

The most dramatic option. Let's the world know you mean business.

WHAT IS PERSONAL BRANDING?

Personal branding photography goes beyond the traditional headshot session. It's about telling your story and highlighting your personal and professional journey. Choose one of three session packages. We'll help you create a portfolio of images that reflect your individual style, strengths, and the essence of your brand. All personal branding sessions include a pre-consultation to fine-tune your vision and an online gallery for viewing and choosing your final images.

HEADSHOT STUDIO FLEX SESSIONS

AT YOUR LOCATION

When scheduling seems impossible, book a flex session. We understand that planning for headshots can be unpredictable, and you may not know how many people need one or will be available on a certain day. Our flexible hourly sessions cater to any group size, up to 30 people per hour, with a quick 2-minute minimum each. This option, excluding retouching (available at \$39 per image), guarantees everyone gets a professional shot, even if plans change.

Post-session, we'll deliver a gallery of everyone's images. Opt for group retouching by submitting all your selections at once. When someone can't make it, we can pro-rate for a private session in our studio.

Our setup is quick, non-disruptive, and equipped with state-of-the-art photography gear. We ensure each team member receives a high-quality, professional headshot. This service is ideal for updating company directories with current headshots or providing a valuable add-on for attendees at corporate events.

POP-UP STUDIO

ON YOUR EVENT

Transform your next event with our exclusive “Pop Up Studio” – a dynamic, engaging photography experience that brings the fun and energy of a photo booth, but with a professional twist. Perfect for any gathering, from corporate events to private celebrations, this is designed to get your guests laughing, interacting, and truly enjoying the moment, all while capturing high-quality images that reflect their personalities and the spirit of your event.

Our photographers give direction, fix hair and awkward positions, and in general make it a blast. Your subjects don't have to know what to do with their hands. We will tell them!

Ideal for any event where you want to add a unique, interactive element, your guests will have a fantastic time and leave with something special to remember the day by. You can use our backgrounds or your own custom background. Let us help you make your next event not just successful, but truly exceptional.

WHY CHOOSE OUR POP-UP STUDIO?

- Fun Meets Professional: Ditch the usual photo booth for our lively, engaging photographers who inspire big smiles and fun poses with props.
- Tailored to Your Theme: Select from various backgrounds and props to match your event, adding a personal touch that stands out.
- Bring Everyone Together: More than photos, our studio is a place for guests to mingle, laugh, and create lasting memories together.
- Superior Image Quality: Expect nothing less than crisp, beautifully lit photos that capture every fun moment in detail.
- Effortless for You: We manage the setup and takedown, making the addition of our studio to your event smooth and stress-free.
- Easy Sharing: After the event, you'll get a gallery of the day's photos, perfect for sharing with guests or on social media.
